

Remarks

Applicants respectfully request entry of the above amendment.

The above amendment addresses references to trademark product names ADVANTAGE, TESLIN, TYVEC, MYLAR, and MELINEX, in certain claims and paragraphs of the specification. These terms are capitalized and accompanied by generic terminology where appropriate.

Trademark product names, TESLIN, TYVEC, MYLAR, and MELINEX, are mentioned at paragraph 114 of the specification along with the generic term "materials." Since the names are capitalized and accompanied by the generic term "materials," it is believed that no amendment to paragraph 114 is necessary.
